

Enhancing Career Development

Career Coaching supporting high potentials
to reach their full potential and plan the right next step.

Enhancing Career Development

Enhancing Career Development is your personal journey towards reaching your full potential and plan the right next steps in your career. You will team up with a professional executive coach and in close cooperation with your coach, you will get the opportunity to take a step back and reflect upon how to reach your full potential and how to lead yourself on your future career.

What you gain

- Conscious awareness of own capabilities both professional and personal.
- Clarification on own preferred career direction.
- Personal insights on values, core DNA and motivational drivers.
- Awareness on need for work-life balance.
- Reflections on how to bring your network and stakeholders into play.
- A specific plan for your future career.

Career Coaching Model and content

Based on the career coaching model you will go through a 3 steps process to ensure your career is on the right track. After a short on-boarding Meet'n greet, we will together assess and get insights into who you are and what drives you. Personal insights on own strengths and personal barriers will allow us to dream and envision your future career and make a solid foundation to decide the right

Step 1: Assess & Understand where you are today

Insights, awareness and understanding of own background, motivational drivers, personal values, own uniqueness, education, experience, and skills. We will apply relevant tools and methods like JTI personal profile, Role Analysis, and reflections.

Step 2: Envision & Explore your passion and dreams

Exploring your purpose and vision, your goals, and ambitions as well as need for work-life balance. We will apply a personal career profile (Karrieremodellen) and you will work with your "purpose in life".

Step 3: Plan & Execute what it will take to reach your potential

Mapping and getting specific on resources in your network/stakeholders, competence development and personal development. All to end up with a concrete career plan on how the right next step looks like for you short term as well as long term.

You will have a short Meet'n Greet + 6 sessions over a period of 4-6 months. The sessions are 90 min. each. We will typically meet every 3-4 weeks. We will mainly meet at my office in central Copenhagen. If circumstances require it, we may also meet virtual.

Total price (excl. vat) incl. JTI person profile, Karrieremodellen, Role Analysis, Stakeholder Analysis, Career Plan DKK 29.925,00
